1 Objective.

Santander Asset Management Luxembourg, S.A. (hereafter referred as the “**ManCo**”) seeks to maintain its good reputation and is also committed to maintaining its responsiveness toward its clients and the investors of the funds managed. The purpose of the Complaints Handling Procedure is to ensure that complaints are handled in a manner which is fair, objective and truth oriented.

The Complaints Handling Procedure (hereafter referred as “the Procedure”) has been drawn up by the ManCo, to set out the framework for complaint handling (such as, but not limited to, customer and third-party claims) in order to serve the best interest of the staff members and to ensure efficient complaint management within the ManCo. The internal complaint settlement procedure will enable the resolution of any issue raised by any complainant.

This Procedure aims to describe the main aspects of complaint handling within the ManCo and specify the terms and conditions applicable where the complaints are handled at the level of the ManCo and where the *Commission de Surveillance du Secteur Financier* (CSSF) is involved in the handling of a request for the out-of-court resolution of a complaint, respectively.

The adoption and regular update of the Procedure is crucial for guaranteeing an adequate and timely handling of complaints. Moreover, it allows the ManCo to properly evaluate any potential weak points in its policies, procedures, services and related risks.

For the avoidance of doubts, the terms “complainant” and “complaint” shall be understood as follows:

- “Complainant” refers to any natural or legal person who is presumed to be eligible to have a complaint considered and who has filed a complaint with the ManCo;
- “Complaint” is a statement of dissatisfaction addressed whether oral or written, justified or not, from or on behalf of an eligible Complainant, about the Funds or the Management Company’s or its delegates provision of or failure to provide a financial service. A request for information, clarification or service is not a complaint.

It must be noted that simple requests for information or clarifications addressed to the ManCo are not considered as complaints and are therefore out of scope of this Procedure.

Taking into consideration the structure of the Management Company, complaints could come directly to the Management Company or through any of the Agents appointed (Central Administration, Depository, Distributors and Investment Managers) Organisational chart below:

2 Guiding principles of effective complaints handling.

The Complaints Handling Policy is available on the ManCo website and also internally. The Complaints Handling Procedure is based on the following principles of which each Service Provider to the Management Company shall be aware of:

- Complaints will only be admissible when being addressed in written by the investors of the Funds and in case a financial impact is subject to the complaint. The requests will not be admissible when frivolous or vexatious.
- Agents should be aware of the contents of this procedure and must adhere to the rules of this procedure when executing their services for the Management Company or the Funds.
- Complaints arisen should be forwarded to the Complaints Handling Officer of the Management Company who will seek for a prompt response in full compliance of the regulations, reflecting the concern the Management Company of objectivity and search for truth.
- As soon as one of the Agents is appointed, it is necessary to be familiar with the specific rules that apply concerning the Complaints Handling Procedure of the Management Company.
- The Complaints Handling Officer is in charge of coordinating the handling of investors complaints addressed to the Agents.
- The Management Company has made this procedure available to all Agents, which have been appointed by the Management Company. Complaints can be filed in the official language or one of the official languages of the complainant's Member State. The complaint handling is free of charge. Each complainant is informed of the name and the contact details of the person in charge of his/her file and therefore may correspond directly with this person. The ManCo endeavours to communicate in a plain and easily comprehensible language.
- The ManCo shall ensure that the processing of personal data complies with the applicable rules on the personal data protection.

6.4 Complaints monitoring and reporting.

Each complaint received should be recorded promptly in the Complaints Register and send to the CSSF on a yearly basis together with the list of third parties authorized to handle investor's complaints (if any).

The register shall include the number of complaints registered by the Company classified by the type of complaints, as well as a summary report of the complaints and the measures taken to handle them.

Both of the complaints file and the Complaints Register shall be kept at the Company premises for five (5) years after the complaint was dealt in full.

Complaints shall be assessed by the Company on on-going basis to enable the identification of systemic or recurring problems:

- by analysing the causes of the individual complaints in order to identify the root causes common to certain types of complaints;
- by considering whether these root causes may also affect other processes or products; including those to which the complaints do not relate directly; and
- by considering what actions it may need to take to address these problems.

The yearly communication sent to the CSSF shall include only information related to financial products and/or services.

The synthetic report for the CSSF is also not supposed to be a compilation of summaries on lodged complaints by customers but must present the main problems encountered by the professional and a summary of undertaken measures.

The table containing the number of registered complaints classified by type of complaint and the synthetic report must also include information on the complaints submitted to the professional's branches situated abroad.

Documents to be provided yearly to the CSSF, within five months following the end of the financial year of the Management Company at the latest.

6.5 Communication and information to the CSSF.

In case a complaint has been filed with the CSSF and the supervisory authority has requested the Company to take position on the facts or opinions presented by the complainant or to provide information or documents, the Company undertakes to make its best effort to communicate to the CSSF the requested information or documents within the requisite time-period.

Where the CSSF concludes that the complaint is totally or partially justified and asks the Company and the Complainant to settle their dispute, the Company shall undertake to find with the complainant a common ground to put an end to the complaint.

6.6 Company liability.

In case the complaint leads to a liability of the Board of Directors, the senior management and the Complaint Officer will jointly inform the Board of Directors.

The Complaints handling Officer, senior managers and eventually the Delegated Party (if involved) coordinate the provision of a refund estimation which will be then approved by the Board of Directors.

Once received the estimation calculation, the Board of Directors resolves in relation to the complaint and the conditions of the refund (if any) to the Complainant.
