Investment policy

The fund will invest at least two-thirds of its total assets in the equities of companies all over the world, with a focus on mature economies. During the investment process the fund will apply an ESG approach, seeking to access the impact of environmental, social and governance factors on the cash flows of the companies in which it invests. The Fund will mainly invest its assets in equities, although, depending on the opportunities of the markets, it could also invest in convertible bonds or derivative instruments, such as options, swaps, futures and forwards, to achieve the exposure to equity markets as well as for hedging purposes.
