société d'investissement à capital variable (SICAV)

Senningerberg

(anc. : Luxembourg)

R.C.S. Luxembourg, section B numéro 40 172

STATUTS COORDONNES à la date du **30 avril 2014**
avec effet au **2 mai 2014**

Article 1

There exists among the subscribers and all those who may become holders of shares, a company in the form of a limited liability company ("société anonyme") qualifying as a "société d'investissement à capital variable" ("SICAV") under the name of "**SANTANDER INTERNATIONAL FUND SICAV**" (hereinafter the "**Company**").

Article 2

The Company is established for an unlimited duration. It may be dissolved at any time by a resolution of the shareholders adopted in the manner required for amendment of these articles of incorporation (the "Articles of Incorporation").

Article 3

The exclusive object of the Company is to place the funds available to it in transferable securities of all types and other permitted assets to a collective investment undertaking under Part I of the law of 17 December 2010 regarding undertakings for collective investment or any legislative replacements or amendment thereof (the "Law of 2010") with the purpose of spreading investment risks and affording its shareholders the results of the management of its portfolios.

The Company may take any measures and carry out any operation which it may deem useful in the accomplishment and development of its purpose to the full extent permitted by the Law of 2010.

Article 4.-

The registered office of the Company is established in Senningerberg, in the Grand Duchy of Luxembourg. Branches or other offices may be established either in Luxembourg or abroad by resolution of the Board of Directors of the Company (the "Board").

If permitted by and under the conditions set forth in Luxembourg laws and regulations, the Board may transfer the registered office of the Company to any other municipality in the Grand Duchy of Luxembourg.

In the event that the Board determines that extraordinary political, economic, social or military events have occurred or are imminent that would interfere with the normal activities of the Company at its registered office, or with the ease of communication between such office and persons abroad, the registered office may be temporarily transferred abroad until the complete cessation of these abnormal circumstances; such temporary measures shall have no effect on the nationality of the Company which, notwithstanding the temporary transfer of its registered office, will remain a Luxembourg company.

Article 5.-

The capital of the Company shall be represented by the shares of no par value (the "Shares") and shall at any time be equal to the total net assets of the Company as defined hereafter.

Shares may, as the Board shall determine, be of different classes (the "Sub-Funds") within the meaning of article 181 of the Law of 2010 corresponding to separate portfolios of assets (each a "Portfolio") (which may, as the Board shall determine, be denominated in different currencies) and the proceeds of the issue of Shares of each Sub-Fund shall be invested pursuant to Article 3 hereof in transferable securities or other permitted assets corresponding to such geographical areas, industrial sectors or monetary zones or such specific types of equity or debt

securities as the Board shall from time to time determine in respect of each Sub-Fund.

The Board may further decide if and from which date Shares of other categories (the "Classes") shall be offered for sale within each Portfolio, those Shares to be issued on terms and conditions as shall be decided by the Board and whose assets will be commonly invested pursuant to the specific investment policy of the Sub-Fund concerned but where a specific sales and redemption charge structure, fee structure, hedging policy, distribution policy or other specificity is applied to each Class.

The Board may create at any moment additional Sub-Funds and/or Classes, provided that the rights and duties of the shareholders of existing Sub-Funds and Classes will not be modified by such creation.

Any reference herein to "Sub-Funds" or "Portfolio" shall also mean a reference to "Classes" unless the context requires otherwise.

For the purpose of determining the capital of the Company, the net assets attributable to each Portfolio shall in the case of a relevant Sub-Fund, if not expressed in EUR be converted into EUR and the capital shall be the total of the net assets of all the Portfolios. Reference in these Articles of Incorporation to Shares shall be construed as meaning a share of any Class of a Sub-Fund corresponding to a Portfolio.

The minimum capital of the Company shall be not less than the equivalent of one million two hundred and fifty thousand euros (1,250,000.-€).

The Board is authorised without limitation to issue Shares at any time for cash or, subject to applicable laws and regulations, contribution in kind. In accordance with Article 22 the Shares are issued at the net asset value without reserving to the existing shareholders a preferential right to subscription of the Shares to be issued. The Board may, in their discretion, scale down or refuse to accept any application for Shares of any Sub-Fund and may, from time to time, determine minimum holdings or subscriptions of Shares of any Sub-Fund of such number or value thereof as they may think fit.

The Board may decide to merge one or several Sub-Funds or Classes of Shares or may decide to cancel one or several Sub-Funds or Classes of Shares by cancellation of the relevant Sub-Funds or Classes of Shares and refunding to the shareholders of such Sub-Funds the full net asset value of the Shares of such Sub-Funds. Such a decision of the Board may result from substantial unfavourable changes of the social or economic situation in countries where investments for the relevant Sub-Fund(s) are made, or shares of the relevant Sub-Fund(s) or Classes are distributed.

The Board may decide to submit such a decision to a meeting of the shareholders of the Sub-Fund a Class of shares concerned.

The decision to liquidate or cancel a Sub-Funds or a Class of Shares will be published (or notified as the case may be) by the Company prior to the effective date of the liquidation and the publication (or notice) shall indicate the reasons for, and the procedures of, the liquidation operation.

Pending the completion of a merger, shareholders of the Sub-Fund or Class concerned to be merged may continue to ask for the redemption

of their shares, this redemption being made without cost to the shareholders during a minimum period of one month beginning on the date of publication of the decision of merger. At the end of the relevant period, all the remaining shareholders will be bound by the decision of merger.

The same applies in case of merger of a Sub-Fund or Class of Shares with a Sub-Fund or Class of shares of another Luxembourg undertaking for collective investment in transferable securities pursuant to part I of the Law of 2010.

In case of a merger of one or more Sub-Fund(s) where, as a result, the Company ceases to exist, the merger shall be decided by a meeting of shareholders for which no quorum is required and that may decide with a simple majority of votes cast. The provisions on mergers of UCITS set forth in the Law of 2010 and any implementing regulation (relating in particular to the notice to the shareholders concerned) shall apply.

In the circumstances provided in the ninth paragraph of this Article, the Board may also, subject to regulatory approval (if required), decide to consolidate or split any Class of Shares within a Sub-Fund. To the extent required by Luxembourg law, such decision will be published and, if needed, notified in the same manner as described above and the publication and/or notification will contain information in relation to the proposed split or consolidation. The Board may also decide to submit the question of the consolidation or split of Classes of Shares to a meeting of holders or such Class of Shares. No quorum is required for this meeting and decisions are taken by the simple majority of the votes cast

Article 6.-

The Company will issue new Shares in registered form only and will not issue bearer Shares. If and to the extent permitted, and under the conditions provided for by law, the Board may at its discretion decide to issue, in addition to Shares in registered form, Shares in dematerialised form if requested by their holder(s). Under the same conditions, holders of registered Shares may also request the conversion of their Shares into dematerialised Shares. The costs resulting from the conversion of registered Shares at the request of their holders will be borne by the latter unless the Board decides at its discretion that all or part of these costs must be borne by the Company.

The Company may decide to issue fractions of shares. Fractions of Shares entitle their holder to prorata entitlements in case of repurchases, dividend distributions or distributions of liquidation proceeds.

Ownership of registered Shares is evidenced by the entry in the register of shareholders of the Company and shareholders will normally be issued with a confirmation of registration of their Shares in the Register of Shares of the Company (the "Register of Shareholders"). The Board may however decide to issue share certificates, as disclosed in the Company's sales document of the Company. Share certificates, if issued, shall be signed by two Directors. Both such signatures may be manual, printed, by facsimile or electronic. However, one of such signatures may be by a person delegated to this effect by the Board. In such latter case, the signature shall be manual. The Company may issue temporary share certificates in such form as the Board may from time to time determine.

Shares shall be issued only upon acceptance of the purchase instruction and payment of the purchase price. The purchaser will, without

undue delay, upon acceptance of the subscription and receipt of the purchase price, obtain delivery of a confirmation of his shareholding. All issued Shares of the Company other than dematerialised Shares (if issued) shall be inscribed in the Register of Shareholders, which shall be kept by the Company or by one or more persons designated by the Company for such purpose and such Register of Shareholders shall contain the name of each holder of registered Shares, his residence or elected domicile so far as notified to the Company, the Class of Shares, the number of Shares held by him and the amount paid in on each such share.

Transfer of registered Shares shall be effected by inscription in the Register of Shareholders of the transfer to be made by the Company upon delivery of a duly signed share transfer form or any other instruments of transfer satisfactory to the Company, together with, if issued, the relevant share certificate to be cancelled. The instruction must be dated and signed by the transferor(s), and if requested by the Company or its designated agent also signed by the transferee(s), or by persons holding suitable powers of attorney to act in that capacity. The transfer of dematerialised Shares (if issued) shall be made in accordance with applicable laws.

Holders of registered Shares may not request conversion of their Shares into bearer Shares.

In case of registered Shares the Company shall consider the person in whose name the Shares are registered in the Register of Shareholders, as full owner of the Shares.

There is no restriction on the number of Shares which may be issued.

The rights attached to Shares are those provided for in the Luxembourg Law of 10 August 1915 ("the 1915 Law"), on commercial companies and its amending Laws to the extent that such Law has not been superseded by the Law of 2010. All the Shares of the Company, whatever their value, have an equal voting right. All the Shares of the Company have an equal right to the liquidation proceeds and distribution proceeds.

All registered shareholders shall provide the Company with an address to which all notices and announcements from the Company may be sent. The address will be entered into the Register of Shareholders. In the case of joint owners of Shares, only one address will be inserted in the Register of Shareholders and notices and announcements will be sent to that address only. If a registered shareholder does not provide the Company with an address or that notices and announcements are returned as undeliverable to the address in the Register of Shareholders, this may be indicated in the Register of Shareholders, and the shareholder's address shall be deemed to be at the Company's registered office or at any other address as may be fixed periodically by the Company until such time another address shall be provided by the Shareholder. Shareholders may change at any time the address indicated in the Register of Shareholders by sending a written statement to the registered office of the Company, or to any other address that may be set by the Company. The shareholder shall be responsible for ensuring that his details, including his address, for the Register of Shareholders are kept up to date and shall bear any and all responsibility should any details be incorrect or invalid.

Holders of dematerialised Shares must provide, or must ensure that registrar agents shall provide, the Company with information for identification purposes of the holders of such Shares in accordance with applicable laws. If on a specific request of the Company, the holder of dematerialised Shares does not furnish the requested information, or furnishes incomplete or erroneous information within a time period provided for by law or determined by the Board at its discretion, the Board may decide to suspend voting rights attached to all or part of the dematerialised Shares held by the relevant person until satisfactory information is received.

The Company shall only recognise one shareholder for each of the Company's Shares. In the case of joint ownership or bare and beneficial ownership, the Company shall suspend the exercise of rights resulting from the relevant share(s) until such time as a person has been appointed to represent the joint owners or the bare and beneficial owners towards the Company.

Subject to applicable local laws and regulations, the address of the shareholders as well as all other personal data of shareholders collected by the Company and/or any of its agents may be collected, recorded, stored, adapted, transferred or otherwise processed and used ("processed") by the Company, its agents and other companies of the Santander Group, any subsidiary or affiliate thereof, which may be established outside Luxembourg and/or the European Union, and the financial intermediary of shareholders. Such data may be processed for the purposes of account administration, anti-money laundering and counter-terrorist financing identification, tax identification (including, but not limited to, for the purpose of compliance with the Foreign Account Tax Compliance Act, as might be amended, completed or supplemented ("FATCA") as well as, to the extent permissible and under the conditions set forth in Luxembourg laws and regulations and any other local applicable regulations, the development of business relationships including sales and marketing of Santander Group investment products and for any other purposes more fully disclosed in the Company's sales documents.

Article 7.-

If any shareholder can prove to the satisfaction of the Company that his share certificate has been mislaid, mutilated or destroyed, then, at his request, a duplicate share certificate may be issued under such conditions and guarantees, including a bond delivered by an insurance company but without restriction thereto, as the Company may determine. At the issuance of the new share certificate, on which it shall be recorded that it is a duplicate, the original share certificate in place of which the new one has been issued shall become void.

Mutilated or defaced share certificates may be exchanged for new ones by order of the Company. The mutilated or defaced certificates shall be delivered to the Company and shall be annulled immediately.

The Company may, at its election, charge the shareholder any exceptional out of pocket expenses incurred in issuing a duplicate or a new Share certificate in substitution for one mislaid, mutilated or destroyed.

Article 8.-

The Board may restrict or prevent the ownership of Shares of the Company by individuals, firms, corporations or other legal entities or if the Company deems that such ownership entails an infringement of the laws or regulations of the Grand Duchy of Luxembourg or foreign country, may imply that the Company, its delegates or some or all of its shareholders may be subject to liabilities (including tax liabilities) in a country other than the Grand Duchy of Luxembourg or any other disadvantages that it or they would not have otherwise incurred or been exposed to or may prejudice the Company or the majority of its shareholders in another manner.

More specifically, the Company may restrict or prevent the ownership of Shares in the Company, by any person, firm or corporate body, and without limitation, by any "U.S. person", as defined hereafter or if as a result thereof it may expose the Company or its shareholders to adverse operational regulatory, tax or fiscal consequences (including any tax liabilities that might derive, inter alia, from any breach of the requirements imposed by FATCA and related U.S. regulations, and in particular if the Company may become subject to tax laws other than those of the Grand Duchy of Luxembourg (or to any other disadvantages that it or they would not have otherwise incurred or been exposed to).

For this purpose the Company may:

a) refuse to issue or record a transfer of Shares, when it appears that such issue or transfer results or may result in the appropriation of beneficial ownership of the share to a person who is not authorised to hold the Company's Shares;

b) request, at any time, any other person recorded in the Register of Shareholders, or any other person who requests that a transfer of Shares be recorded in the Register of Shareholders, to provide it with all information and confirmations it deems necessary, possibly backed by an affidavit, with a view to determining whether these Shares belong or shall belong as beneficial ownership to a person who is not authorised to hold the Company's Shares; and

c) compulsorily repurchase all the Shares if it appears that a person who is not authorised to hold the Company's Shares, either alone or together with others, is the holder of Shares of the Company or compulsorily repurchase all or a part of the Shares, if it appears to the Company that one or several persons are the holders of a portion of the Company's Shares in such a manner that the Company may be subject to taxation or other laws in jurisdiction other than Luxembourg. In this case, the following procedure shall be applied:

1. the Company shall send a notice (hereinafter referred to as "the notice of repurchase") to the shareholder who is the holder of the Shares or indicated in the Register of Shareholders as the holder of the Shares to be purchased. The notice of repurchase shall specify the Shares to be repurchased, the repurchase price to be paid and the place where such price shall be payable. The notice of repurchase may be sent to the shareholder by registered mail addressed to his/her last known address or to that indicated in the Register of Shareholders. The relevant shareholder shall be obliged to remit the share certificate(s), if any, representing the Shares specified in the notice of repurchase to the Company immediately. At the close of business on the date specified in the notice of repurchase,

the relevant shareholder shall cease to be the holder of the Shares specified in the notice of repurchase. His name shall be removed as holder of these Shares in the Register of Shareholders.

2. the price at which the Shares specified in the notice of repurchase shall be repurchased shall be equal to the net asset value of the Company's Shares, as determined in accordance with Article 24 of these Articles of Incorporation on the date of the notice of repurchase.

3. the repurchase price shall be paid in euro or any other major currency determined by the Board to the holder of these Shares. The price shall be deposited by the Company with a bank in Luxembourg or elsewhere (as specified in the notice of repurchase), that shall remit such amount to the relevant shareholder upon remittance of the share certificate(s), if any, representing the Shares specified in the notice of repurchase. Once this amount has been deposited under these conditions, no one interested in the Shares mentioned in the notice of repurchase may assert any rights on these Shares, nor institute any proceedings against the Company and its assets, with the exception of the right of the shareholder, appearing as the holder of the Shares, to receive the amount deposited (without interest) with the bank upon remittance of the share certificate(s), if any, have been delivered.

4. the exercising by the Company of any powers granted by this Article may not, under any circumstances, be questioned or invalidated on the grounds that there was insufficient proof of the ownership of the Shares than appeared to the Company when sending the notice of repurchase, provided the Company exercises its powers in good faith; and

d) during any meeting of shareholders, the Company may refuse the vote of any person who is not authorised to hold the Company's Shares.

In particular, the Company may restrict or prevent the ownership of the Company's Shares by any "U.S. person".

The term "U.S. person" shall refer to any national, citizen or resident of the United States of America or of its territories or possessions or areas subject to its jurisdiction, or persons who normally reside there (including the estate of any person, joint stock company or association of persons incorporated or organised under the Laws of the United States of America). The Board may, from time to time, amend or clarify this meaning in the sales document of the Company.

In addition to the foregoing, the Board may restrict the issue and transfer of shares of a Sub-Fund to institutional investors within the meaning of Article 174 (2) of the Law of 2010 ("Institutional Investor(s)"). The Board may, at its discretion, delay the acceptance of any subscription application for shares of a Sub-Fund reserved for Institutional Investors until such time as the Company has received sufficient evidence that the applicant qualifies as an Institutional Investor. If it appears at any time that a holder of shares of a Sub-Fund reserved to Institutional Investors is not an Institutional Investor, the Board will convert the relevant shares into shares of a Sub-Fund which is not restricted to Institutional Investors (provided that there exists such a Sub-Fund with similar characteristics) or compulsorily redeem the relevant shares in accordance with the provisions set forth above in this Article. The Board will refuse to give effect to any transfer of shares and consequently refuse for any transfer of shares to be

entered into the Register of Shareholders in circumstances where such transfer would result in a situation where shares of a Sub-Fund restricted to Institutional Investors would, upon such transfer, be held by a person not qualifying as an Institutional Investor. In addition to any liability under applicable law, each shareholder who does not qualify as an Institutional Investor, and who holds shares in a Sub-Fund restricted to Institutional Investors, shall hold harmless and indemnify the Company, the Board, the other shareholders of the relevant Sub-Fund and the Company's agents for any damages, losses and expenses resulting from or connected to such holding circumstances where the relevant shareholder had furnished misleading or untrue documentation or had made misleading or untrue representations to wrongfully establish its status as an Institutional Investor or has failed to notify the Company of its loss or change of such status.

Article 9.-

Any regularly constituted meeting of the shareholders of the Company or of a Sub-Fund or Class shall represent the entire body of shareholders of the Company or the Sub-Fund or Class as the case may be. In the event of vacancy in the office of Director because of death, retirement or otherwise, the remaining Directors may meet and may elect by way of co-optation, by majority vote, a Director to fill such vacancy until the next meeting of shareholders.

Article 14.-

The Board shall choose from among its members a chairman, and may choose from among its members one or more vice-chairmen. This notice may be waived by the consent of each Director in writing or by cable,

telegram, telex or facsimile transmission or any other electronic means capable of evidencing the waiver. Separate notice shall not be required for individual meetings held at times and places prescribed in a schedule previously adopted by resolution of the Board.

Any Director may act at any meeting of the Board by appointing in writing or by cable, telegram, telex or facsimile transmission or any other electronic means capable of evidencing the proxy another Director as his proxy. The participation in a meeting by such means shall constitute presence in person at the meeting and the meeting is deemed to be held at the registered office of the Company.

The Board can deliberate or act validly only if at least half of the Directors are present or represented at a meeting of the Board. Decisions shall be taken by a majority of the votes of the Directors present or represented at such meeting. Copies or extracts of such minutes which may be produced in judicial proceedings or otherwise shall be signed by such person(s), or by the secretary, or by two Directors.

Article 16.-

The Board is vested with the broadest powers to perform all acts of administration and disposition in the Company's interest.

The Board shall have the power to do all things on behalf of the Company which are not expressly reserved to the shareholders in general meeting by law or by these Articles of Incorporation and shall, without limiting the generality of the foregoing, have the power to determine the

corporate and investment policy for investments relating to each Sub-Fund of the Company and the assets relating thereto based on the principle of spreading of risks, subject to such investment restrictions as may be imposed by the Law of 2010 or by regulations or as may be determined by the Board.

The Board has, in particular, power to determine the corporate policy. The course of conduct of the management and business affairs of the Company shall not effect such investments or activities as shall fall under such investment restrictions as may be imposed by the Law of 2010 or be laid down in the laws and regulations of those countries where the Shares are offered for sale to the public or as shall be adopted from time to time by resolution of the Board and as shall be described in any of the Company's sales documents relating to the offer of Shares.

(i) in transferable securities and money market instrument admitted to or dealt in on a regulated market as defined by the Law of 2010,

(ii) in transferable securities and money market instruments dealt in on another regulated market in a Member State (as defined in the Law of 2010) which is regulated, operates regularly and is recognised and open to the public,

(iii) in transferable securities and money market instruments admitted to official listing on a stock exchange in a non-Member State or dealt in on another market in a non-Member State which is regulated, operates regularly and is recognised and open to the public,

(iv) in recently issued transferable securities and money market instruments, provided that the terms of issue include an undertaking that application will be made for admission to official listing on a stock exchange or other regulated markets referred to above and such admission is achieved within a year of the issue,

The Board of the Company may decide to invest in accordance with the principle of risk-spreading up to 100% of the net assets of each Sub-Fund in different transferable securities and money market instruments issued or guaranteed by a Member State, its local authorities, a member state of the Organisation for Economic Cooperation and Development (OECD) or public international bodies of which one or more Member State(s) are members, by Singapore or by any member state of the G20 provided that (i) such securities are part of at least six (6) different issues and (ii) the securities from any one issue do not account for more than 30% of the net assets of the relevant Sub-Fund.

The Board may decide that investments of the Company be made in financial derivative instruments, including equivalent cash settled instruments, deal in on a regulated market as referred to in the Law of 2010 and/or financial derivative instruments dealt in over-the-counter provided that, among others, the underlying consists of instruments covered by article 41 (1) of the Law of 2010, financial indices, interest rates, foreign exchange rates or currencies, in which the Company may

invest according to its investment objectives as disclosed in its sales documents.

The Board may decide that investments of a Sub-Fund be made with the aim to replicate a certain stock or bond index provided that the relevant index is recognised by the Luxembourg supervisory authority on the basis that it is sufficiently diversified, represents an adequate benchmark or the market to which it refers and is published in any appropriate manner.

The Company will not invest more than 10% of the net assets of any Sub-Fund in undertakings for collective investment as defined in article 41 (e) of the Law of 2010 unless specifically permitted to do so by the investment policy applicable to a Sub-Fund as published in the sales documents of the Company.

Any Sub-Fund may, to the widest extent permitted by and under the conditions set forth in applicable laws and regulations, but in accordance with the provisions set forth in the sales documents of the Company, subscribe, acquire and/or hold Shares to be issued or issued by one or more Sub-Funds of the Company. In this case and subject to conditions set forth in applicable laws and regulations, the voting rights, if any, attaching to these Shares are suspended for as long as they are held by the Sub-Fund concerned. In addition and for as long as these Shares are held by a Sub-Fund, their value will not be taken into consideration for the calculation of the net assets of the Company for the purposes of verifying the minimum threshold of the net assets imposed by the Law of 2010.

Under the conditions set forth in applicable laws and regulations, the Board may, at any time it deems appropriate and to the widest extent permitted by applicable laws and regulations, but in accordance with the provisions set forth in the sales documents of the Company, (i) create any Sub-Fund qualifying either as a feeder UCITS or as a master UCITS, (ii) convert any existing Sub-Fund into a feeder UCITS Sub-Fund or (iii) change the master UCITS of any of its feeder UCITS Sub-Funds.

If delegation is made to a member of the Board under this Article, the Board must have received authorisation from the general meeting of shareholders.

The Company may designate a management company submitted to chapter 15 of the Law of 2010 (the "Management Company") to provide it with collective portfolio management services as referred to in article 101 (2) of the Law of 2010.

The appointment and revocation of the Company's service providers, including the Management Company (if any), will be decided by the Board at the majority of the Directors present or represented.

Article 18.-

No contract or other transaction between the Company and any other company or firm shall be affected or invalidated by the fact that any

one or more of the Directors or officers of the Company is interested in, or is a Director, associate, officer or employee of such other company or firm. Any Director or officer of the Company who serves as a Director, officer or employee of any company or firm with which the Company shall contract or otherwise engage in business shall not, by reason of such affiliation with such other company or firm but subject as hereinafter provided, be prevented from considering and voting or acting upon any matters with respect to such contract or other business.

In the event that any Director or officer of the Company may have any personal interest in any transaction submitted for approval of the Board conflicting with that of the Company, that Director or officer shall make known to the Board such personal interest and shall not consider or vote on any such transaction, and such transaction, and such Director's or officer's interest therein, shall be reported to the next meeting of shareholders.

The preceding paragraph does not apply where the decision of the Board or by the single Director relates to current operations entered into under normal conditions.

The term "personal interest", as used above, shall not include any relationship with or interest in any matter, position or transaction involving the promoter's group and custodian's group as specified in the sales documents of the Company and their subsidiaries and associated companies or such or any other corporation or entity as may from time to time be determined by the Board in its discretion, provided that this personal interest is not considered as a conflicting interest according to applicable laws and regulations.

Article 19.-

The Company may indemnify any Director or officer, and his heirs, executors and administrators, against expenses reasonably incurred by him in connection with any action, suit or proceeding to which he may be made a party by reason of his being or having been a Director or officer of the Company, or at its request, of any other company of which the Company is a shareholder or creditor or from which he is not entitled to be indemnified, except in relation to matters as to which he shall be finally adjudged in such action, suit or proceeding to be liable for gross negligence or willful misconduct; in the event of a settlement, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Company is advised by counsel that the person to be indemnified did not commit such a breach of duty. The foregoing right of indemnification shall not exclude other rights to which he may be entitled.

Article 20.-

The Company will be bound by (i) the joint signatures of any two Directors or (ii) by the joint signatures of any Director or officer of the Company or any person to whom authority has been delegated by the Board or (iii) by the individual signature of any Director or officer of the Company or any person to whom authority has been delegated by the Board.

Article 21.-

The operations of the Company and its financial situation including particularly its books shall be supervised by one or several statutory

approved auditors who shall satisfy the requirements of Luxembourg law as to honorableness and professional experience and who shall carry out the duties prescribed by the Law of 2010. The statutory approved auditors shall be elected by the annual general meeting of shareholders for a period ending at the date of the next annual general meeting of shareholders and until their successors are elected.

Article 22.-

The Board is authorised to issue, at any time, additional Shares, at the price of the respective net asset value per Share of the Sub-Fund, as determined in accordance with Article 24 of these Articles of Incorporation, plus the sales charge determined by the Company's sales documents, without reserving preference rights of subscription to existing shareholders.

Any fees for agents intervening in the placement of Shares shall be paid out of these sales charges. The price thus determined shall be payable at the latest five bank business days after the date on which the applicable net asset value is determined.

The Board may delegate the task of accepting subscriptions to any duly authorised Director or to any other duly authorised person or manager of the Company.

Under penalty of nullity, all subscriptions to new Shares must be fully paid-up and the Shares issued are entitled the same rights as the existing Shares on the issue date.

A dilution levy may be imposed on shareholder transactions as specified in the sales documents of the Company. Such dilution levy should not exceed a certain percentage of the net asset value determined from time to time by the Board and disclosed in the sales documents of the Company. This dilution levy will be calculated taking into account the estimated costs, expenses and potential impact on security prices that may be incurred to meet sale and switch instructions.

Any shareholder is entitled to apply to the Company for the repurchase of all or part of its Shares. The repurchase price shall be paid at the latest five bank business days after the date on which the net asset value of the assets is fixed and shall be equal to the net asset value of the Shares as determined in accordance with the provisions of Article 24, less a possible repurchase charge as fixed in the Company's sales documents.

If in exceptional circumstances the liquidity of the portfolio of assets maintained in respect of a given Sub-Fund being redeemed is not sufficient to enable the payment to be made within such a period, such payment shall be made as soon as reasonably practicable thereafter but without interest.

Shares repurchased by the Company shall be cancelled.

If, as a result of a redemption or a conversion, the value of a shareholder's holding would become less than the minimum subscription amount specified in the Company's sales documents in relation to the relevant Class, that shareholder may be deemed (if the Board so decides) to have requested redemption of all of his shares. Also, the Board may, at any time, decide to compulsorily redeem all shares from shareholders whose holding becomes less than the minimum subscription amount specified in the Company's sales documents in relation to the relevant Class. In the case of such compulsory redemption, the shareholder

concerned will receive one month's prior notice so as to be able to increase his holding above such amount.

In case of redemption or conversion requests on any Valuation Date for more than a certain percentage of Shares relating to an Emerging Markets Fund disclosed in the Company's sales documents, the Company may elect to sell assets of that Sub-Fund representing, as nearly as practicable, the same proportion of the Sub-Fund's assets as the Shares for which repurchase applications have been received compared to the total of Shares then in issue.

Additionally, if requests for the redemption or conversion of more than a percentage of the total shares in issue of any Class to be determined by the Board from time to time and disclosed in the sales documents of the Company are received on any Valuation Date, the Board may decide that, subject to applicable regulatory requirements, redemptions and/or conversion shall be suspended. In such circumstances, the sale or conversion may be deferred as further described in the sales documents of the Company. These instructions to sell or switch Shares will be executed in accordance with the procedures described in the sales documents of the Company.

Any shareholder is entitled to apply the conversion of Shares of one Sub-Fund held by him for the Shares of another Sub-Fund to the extent permitted in the sales documents. Shares of one Sub-Fund shall be converted for Shares of another Sub-Fund on the basis of the respective net asset values per Share of the different Sub-Funds, calculated in the manner stipulated in Article 24 of these Articles of Incorporation.

The Board may set such restrictions it deems necessary as to the frequency of conversion and it may subject conversion to the payment of reasonable costs which amount shall be determined by it.

Subscriptions, repurchase and conversion applications shall be received at the registered office of the Company or at the offices of the agents appointed for this purpose by the Board as further disclosed in the Company's sales documents.

Article 23.-

For the purpose of determining the issue, redemption and conversion price per Share, the Net Asset Value of Shares of each class in the Company shall be determined by the Company from time to time, but in no instance less than twice monthly, as the Board by regulation may direct (every such day for determination of Net Asset Value being referred to herein as a "valuation day") provided that in any case where any valuation day would fall on a day observed as a holiday by banks in Luxembourg, such valuation day shall then be the next following bank business day in Luxembourg.

The Company may suspend the determination of the net asset value of Shares of any Portfolio and the issue and redemption of the Shares in such Portfolios as well as the conversion from and to Shares of such Portfolios during:

a) any period when any of the principal markets or stock exchange on which a substantial portion of the investments of such Portfolio of the Company from time to time is quoted, is closed, or during which dealings thereon are restricted or suspended;

b) the existence of any state of affairs which constitutes an emergency as a result of which disposal or valuation of assets owned by the relevant Portfolio of the Company would be impracticable;

c) any breakdown in the means of communication normally employed in determining the price or value of any of the investments attributable to any of the relevant Portfolios or the current prices or values on any market or stock exchange;

d) any period when the Company is unable to repatriate funds for the purpose of making payments on the redemption of shares of the relevant Portfolio or during which any transfer of funds involved in the realisation or acquisition of investments or payments due on redemption of Shares of the relevant Portfolio cannot in the opinion of the Directors be effected at normal prices or rates of exchange;

e) during any period when in the opinion of the Board there exists unusual circumstances where it would be impractical or unfair towards the shareholders to continue dealing in the shares of the Company or of any Sub-Fund or any other circumstances, or circumstances where a failure to do so might result in the shareholders of the Company, a Sub-Fund incurring any liability to taxation or suffering other pecuniary disadvantage or other detriment which the shareholders of the Company, or a Sub-Fund might not otherwise have suffered; or

f) if the Company, or a Sub-Fund is being or may be wound-up, on or following the date on which such decision is taken by the Board or notice is given to shareholders of a general meeting of shareholders at which a resolution to wind-up the Company, or a Sub-Fund is to be proposed; or

g) in the case of a merger, if the Board deems this to be justified for the protection of the shareholders; or

h) in the case of a suspension of the calculation of the net asset value of one or several underlying investment funds in which a Sub-Fund has invested a substantial portion of assets.

Any such suspension of the calculation of the net asset value of the Shares does not entail the suspension of the calculation of the net asset value of the Shares of other Classes if the circumstances referred to above do not exist in respect of the assets relating to the other Classes.

Any such suspension shall be notified to investors requesting issue, redemption or conversion of Shares by the Company at the time of the application for such issue, redemption or conversion and shall be published by the Company.

Article 24.-

The net asset value of Shares of each Sub-Fund shall be expressed in euro or any such other currency as the Board shall from time to time determine as a per share figure and shall be determined in respect of any Valuation Date by dividing the net assets of the Company corresponding to each Sub-Fund, being the value of the assets of the Company corresponding to such Sub-Fund less the liabilities attributable to such Sub-Fund, by the number of Shares of the relevant Sub-Fund outstanding and shall be rounded up or down to the nearest whole cent or to the nearest whole unit of the currency in which the net asset value of the relevant Shares is calculated. If, since the last Valuation Date there has been a material change in the quotations on the stock exchanges or markets on which a substantial portion of the investment of the Company

attributable to a particular Sub-Fund are quoted or dealt in, the Company may, in order to safeguard the interests of the shareholders and the Company, cancel the first valuation and carry out a second valuation.

The Company's net assets of the different Sub-Funds shall be estimated in the following manner:

1. In particular, the Company's assets shall include:

1. all cash at hand and on deposit, including interest due but not yet collected and interest accrued on these deposits up to the Valuation Date.

2. all bills and demand notes and accounts receivable (including the results of the sale of securities whose proceeds have not yet been received).

3. all securities, units, Shares, debt securities, option or subscription rights and other investment and transferable securities owned by the Company.

4. all dividends and distributions proceeds to be received by the Company in cash or in securities insofar as the Company is aware of such.

5. all interest due but not yet collected and all interest yielded up to the Valuation Date by the securities owned by the Company, unless this interest is included in the principal amount of such securities.

6. the incorporation expenses of the Company, insofar as they have not yet been amortised.

7. all other assets of whatever nature, including prepaid expenses.

The value of these assets shall be determined as follows:

a) The value of cash at hand and on deposit, bills and demand notes and accounts receivable, prepaid expenses and dividends and interest declared or due but not yet collected, shall be deemed to be the full value thereof, unless it is unlikely that such values are received in full, in which case, the value thereof will be determined by deducting such amount the Company considers appropriate to reflect the true value thereof;

b) The valuation of any security and/or money market instrument listed or traded on an official stock exchange or any other regulated market operating regularly, recognised and open to the public is based on the last quotation known in Luxembourg on the Valuation Date and, if this security and/or money market instrument and/or financial derivative instruments is traded on several markets, on the basis of the last price known on the market considered to be the main market for trading this security and/or money market instrument and/or financial derivative instruments. If the last known price is not representative, the valuation shall be based on the probable realisation value estimated by the Board with prudence and in good faith;

c) Securities and/or money market instruments not listed or traded on a stock exchange or any other regulated market, operating regularly, recognised and open to the public; shall be assessed on the basis of the probable realisation value estimated with prudence and in good faith;

d) Investments in open-ended UCIs will be valued on the basis of the last available net asset value of the units or Shares of such UCIs;

e) Financial derivative instruments which are not listed nor traded on a stock exchange or any other regulated market shall be valued in accordance with market practice;

f) Assets expressed in a currency other than the currency of the concerned Sub-Fund shall be converted on the basis of the rate of exchange ruling on the relevant bank business day in Luxembourg;

g) All other assets will be valued at their respective fair values as determined in good faith by the Board in accordance with generally accepted valuation methods and procedures;

h) If any of the aforementioned valuation principles do not reflect the valuation method commonly used in specific markets or if any such valuation principles do not seem accurate for the purpose of determining the value of the Company's assets, the Board may fix different valuation principles in good faith and in accordance with generally accepted valuation principles and procedures.

II. In particular, the Company's commitments shall include:

1. all borrowings, bills matured and accounts due.

2. all liabilities known, whether matured or not, including all matured contractual obligations that involve payments in cash or in kind (including the amount of dividends declared by the Company but not yet paid).

3. all reserves, authorised or approved by the Board, in particular those that had been built up to face a possible depreciation on some of the Company's investments or a future tax based on capital and income to the Valuation Date.

4. all of the Company's other liabilities, of whatever nature with the exception of those represented by Shares in the Company. To assess the amount of these other liabilities, the Company shall take into account all expenditures to be borne by it, including, without any limitation the incorporation expenses and costs for subsequent amendments to the Articles of Incorporation, fees and expenses payable to the managers, accountants, custodians and correspondent agents, domiciliary agents, administrative agents, transfer agents, paying agents or other delegates, agents and employees (if any) of the Company, as well as the permanent representatives of the Company in countries where it is subject to registration, the costs for legal assistance and for the auditing of the Company's annual reports, advertising costs, the cost of printing and publishing sales documents as well as legal publication and financial reports, the cost of convening and holding Shareholders' and Board Meetings, reasonable travelling expenses of directors and managers, directors' fees, the costs of registration statements, all taxes and duties charged by governmental authorities and stock exchanges, the costs of publishing the issue and repurchase prices as well as any other running costs, including financial, banking and brokerage expenses incurred when buying or selling assets or otherwise and all other costs relating to the Company's activities.

To assess the amount of these liabilities, the Company shall take into account, *prorata temporis*, the administrative and other expenses with a regular or periodical nature.

III. For the purpose of valuation under this Article:

(a) Shares to be redeemed under Article 22 shall be treated as existing and taken into account until immediately after the time specified by the Directors on the Valuation Day on which such valuation is made, and from such time and until paid the price therefor shall be deemed to be a liability of the Company;

(b) all investments, cash balances and other assets of any Fund expressed in currencies other than the Euro shall be valued after taking into account the market rate or rates of exchange in force at the date and time for determination of the Net Asset Value of Shares; and

(c) effect shall be given on any Valuation Date to any purchases or sales of securities contracted for by the Company on such Valuation Date, to the extent practicable.

In relation between shareholders, each Sub-Fund is treated as a separate entity.

With regard to third parties, the Company shall constitute one single legal entity, but by derogation from Article 2093 of the Luxembourg Civil Code, the assets of a particular Sub-Fund are only applicable to the debts, engagements and obligations of that Sub-Fund. The assets, commitments, charges and expenses which, due to their nature or as a result of a provision of the Company's sales documents, cannot be allocated to one specific Sub-Fund will be charged to the different Sub-Funds proportionally to their respective net assets, or prorata to their respective net assets, if appropriate due to the amounts considered.

IVI. Each of the Company's Shares in the process of being repurchased shall be considered as a Share issued and existing until the close of business on the Valuation Date applicable to the repurchase of this Share and its price shall be considered as a liability of the Company as from the close of business on this Valuation Date and, until the price has been paid.

Each Share to be issued by the Company in accordance with the subscription applications received, shall, subject to full payment, be considered as issued as from the close of business on the Valuation Date of its issue price and its price shall be considered as an amount owed to the Company until the latter has received it.

IV. As far as possible, all investments and disinvestments decided by the Company up to the Valuation Date shall be taken into account.

Article 25.-

The accounting year of the Company shall begin on the first day of January of each year and shall terminate on the last day of December of the same year.

The accounts of the Company shall be expressed in Euro.

Article 26.-

The results of the Company may be distributed, subject to the minimum capital of the Company as defined in Article 5 hereof being maintained.

Dividends may further, in respect of distribution Shares in any Sub-Fund, include an allocation from an equalisation account which may be maintained in respect of such distribution Shares, be credited upon issue of Shares and debited upon redemption of Shares, in amount calculated by reference to the accrued income attributable to such distribution shares.

Interim dividends may be paid out on the Shares of any Sub-Fund and Class upon decision of the Board in compliance with Luxembourg law.

The annual general meeting shall ratify any interim dividends resolved by the Board.

Whenever a dividend is declared on a distribution share an amount corresponding thereto shall be attributable to each accumulation share of that Sub-Fund.

The dividends declared will normally be paid in the currency in which the relevant Sub-Fund is expressed or exceptionally in any other currency as selected by the Board and may be paid at such places and times as may be determined by the Board. The Board may make a final determination of the rate of exchange applicable to translate dividend funds into the currency of their payment.

Article 27.-

In the event of a dissolution of the Company, liquidation shall be carried out by one or several liquidators (who may be physical persons or legal entities) named by the meeting of shareholders effecting such dissolution and which shall determine their powers and their compensation pursuant to applicable law,

The net proceeds of liquidation corresponding to each Sub-Fund shall be distributed by the liquidators to the holders of Shares in proportion of their holding of Shares.

Liquidation proceeds not claimed by the Shareholders at the close of the liquidation shall be deposited for the persons entitled thereto at the Caisse de Consignation in Luxembourg. If not claimed, they shall be forfeited in accordance with Luxembourg law.

Article 28.-

Article 29.-

All matters not governed by these Articles of Incorporation shall be determined in accordance with the 1915 Law and the Law of 2010.
